

**THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
PINE BLUFF DIVISION**

**ROBERT E. WOODWARD**

**PLAINTIFF**

**v.**

**Case No. 5:19-cv-00048-KGB**

**WENDY KELLEY, *et al.***

**DEFENDANTS**

**ORDER**

Before the Court is the Recommended Disposition submitted by United States Magistrate Judge Beth Deere on April 10, 2019 (Dkt. No. 18). The relevant procedural history is as follows. On January 30, 2019, plaintiff Robert E. Woodward filed a motion for leave to proceed *in forma pauperis* and a *pro se* civil rights complaint (Dkt. Nos. 1, 2). On March 14, 2019, the parties jointly filed a motion to dismiss with prejudice (Dkt. No. 13). On March 26, 2019, Mr. Woodward filed a motion to withdraw settlement (Dkt. No. 16). On April 10, 2019, Judge Deere recommended that Mr. Woodward's motion to withdraw settlement be denied, that the joint motion to dismiss be granted, and that this case be dismissed with prejudice (Dkt. No. 18). Mr. Woodward subsequently filed a motion to amend judgment, which the Court construes as an objection to Judge Deere's Recommended Disposition (Dkt. No. 22). Mr. Woodward has also filed three addendums to his motion to withdraw settlement agreement and a reply in support of his motion to withdraw settlement agreement, which the Court construes as additional objections to Judge Deere's Recommended Disposition (Dkt. Nos. 19–21, 23). After careful review of the Recommended Disposition and Mr. Woodward's objections thereto, as well as a *de novo* review of the record, the Court finds no reason to alter or reject Judge Deere's conclusion.

Accordingly, the Court adopts the Recommended Disposition in its entirety as this Court's findings of fact and conclusions of law (Dkt. No. 18). The Court grants the parties' joint motion

to dismiss with prejudice and dismisses with prejudice Mr. Woodard's complaint (Dkt. No. 13).  
The Court denies as moot Mr. Woodward's motion to withdraw settlement and motion to amend  
judgment (Dkt. Nos. 16, 22).

It is so ordered this 9th day of March, 2020.
